

## Where did the 2014 Bachelor of Science graduates go?

### I. Introduction

The information in this paper is extracted from the Graduate Employment Survey of 2014 to answer the following questions about Bachelor of Science graduates:-

- How many were employed six months after graduation?
- Among those who pursued further studies, what programmes were they enrolled in?
- Among those who were employed full-time, how long did it take them to get their first job offer?
- In which sectors were they employed?
- How much salary did they receive?
- How many job offers did they receive?
- Who were their employers and what were their job titles?

### II. Employment Situations in 2014

Of the 412 graduates from this programme, 374 responded to the survey. Their employment situations are listed below.
